

3/14 Plumer Street Croydon VIC

3 1 1

Specifically designed for wheelchair accessibility, this three bedroom unit is positioned at the rear of a flat block and offers wide door frames, floating floorboards throughout and a fully tiled bathroom with roll in shower. Additional extras include ducted heating and split system air conditioning, a huge open plan kitchen, single garage with rear access and a low maintenance private backyard. Please be advised that photo identification is required to be presented for entry into all inspections. To comply with government regulations in relation to COVID-19 we are currently not conducting inspections at this property and we ask people to please email their details to our office and we will be in contact to advise when an inspection date will be available.
