

Murrindindi

5 2

Set in a beautiful parcel of land, and part of a very large working farm (therefore no pets may be bought onto this property at all due to biohazard concerns) is this very large Family Home. Largely original in features and offering 5 bedrooms plus smaller study/office space. Family bathroom and ensuite with walk through robe to the master.

Enormous living and kitchen/meals area which is kept warm by a wood fire. Loads of natural light with views forever.

If you are wanting to get away from it all, this might be the right property for you.

Due to the uniqueness and location of this property we are requesting all potential applicants submit an application prior to be invited to inspect this property.
