

## Murrindindi

2 1

Not everyday does a property like this become available. Uniquely located as a part of a very large working farm (therefore no pets can be bought onto this property at all due to biohazard concerns) is this 2 bedroom larger than most Farm Cottage. There is a functional kitchen/meals area next to an additional either dining room or rumpus room. Sun filled Loungeroom which has a newly constructed outdoor decking area to enjoy the sounds of the natural bush surrounds. 2 large bedrooms, bathroom and separate laundry and toilet complete the large farm cottage. Bring your mower as there is a large outdoor area to enjoy and ample parking.

Due to the uniqueness and location of this property, we request that all interested parties submit an application
